Government Order No. G. 2553-608—G. M. 66-25-1, dated 23rd October 1925, directing the discontinuance of the use of the term "Holaya" or "Panchama" in official documents and the substitution therefor of the terms "Adidravida" and "Adikarnataka" for the Tamilian and the Kannadiga members of this community respectively.

2. Representation dated 1st February 1940, from Mr. R. Chennigaramiah, Koratagere, requesting that arrangements may be made separately to enumerate in the ensuing Census the two subcastes among the Adikarnatakas, *viz.*, Madigas and Holayas.

3. Correspondence ending with letter No. 1103, dated 29th May 1940, from the Census Superintendent in Mysore, furnishing his opinion in the matter.

4. Cut motion proposed by Mr. T. Ramachandra at the Legislative Council, Budget Session (June 1940), requesting Government to enumerate the "Left Hand" Adikarnatakas (Adi Jambavas) separately from the "Right Hand" Adikarnatakas.

5. Un-official Note No. 1658, dated 25th June 1940, from the Census Superintendent on the above subject.

ORDER No. G. 242-360—CENSUS. [illegible]39-5, DATED BANGALORE, THE 9TH JU[illegible]940.

The Census Superintendent who was cons[illegible]d in the matter states that there is no such religion, caste or community as "A[illegible]nataka," that it is an artificial term coined for administrative purposes, that t[illegible]olayas" and "Madigas" are two major and distinct communities and that [illegible]e would be no objection to enumerate and tabulate them separately. It has also been suggested that if these terms are objectionable, they may be substituted by Adikarnataka "Balagai" and Adikarnataka "Edagai".

Government are pleased to direct that the two communities, *viz.*, the Holeyas and the Madigas, be separately tabulated and enumerated in the ensuing Census as Adikarnataka "Balagai" (Right Hand) and Adikarnataka "Edagai" (Left Hand) respectively.

Health Centre at Periyapatna.

READ—

Correspondence ending with letter No. C. 1388-5, dated 30th May 1940, from the Director of Public Health regarding the formation of a Health Centre at Periyapatna.

ORDER NO. G. 394-7—P. H. 165-38-12, DATED BANGALORE, THE 15TH JULY 1940.

On the representation of the residents of Periyapatna for the establishment of a Health Centre at Periyapatna with a view to improve the health and sanitation of the place, the Director of Public Health, who was consulted in the matter, reported the necessity for the formation of a Centre and made certain proposals costing about Rs. 19,460 stating that the Centre would serve as area of 121 villages in the Periyapatna Sub-Taluk with a population of 46,000 and proposed to distribute the work of the Centre in four units of 30 villages each. As the District Board of Mysore and the Municipal Council of Periyapatna pleaded inability to meet any share of the cost, the Director was requested to submit revised proposals for establishing two units to deal with 35 villages each and to intimate if the cost could be met from the budget of the department by the reappropriation of sanctioned grants. The Director has sent a revised estimate for Rs. 11,154 (which is appended to this order) and states that owing to the limited grants for his department in the budget, reappropriation is not possible.

2. In the circumstances, Government are pleased to sanction the formation of a Health Centre at Periyapatna on a revised scale as follows :—

		Rs.	
(*A*) Establishment as per statement enclosed ...	...	5,046	per annum.
(*B*) Rent and Contingencies ...	...	500	do
(*C*) Health Clinic and Drugs ...	...	1,000	do
(*D*) Work expenses for improvement of sanitary conditions	...	1,000	do
(*E*) Equipment ...	...	1,000	
(*F*) Furniture ...	...	500	

A statement showing the scale proposed and that sanctioned is appended to the order.

They are further pleased to direct that the cost of the Centre during the year 1940-41, *viz.*, Rs. 9,046 be met from the following sources :—

1. One-third from the Rural Reconstruction grant.
2. Two-thirds out of the Town Improvement grant.

From the year 1941-42 onwards, the Director of Public Health is requested to make the necessary provision for the Centre in the budget of his Department.

Secretary to Government,
Development Department.
